

Floor Guard

Impact Resistant Foam

Masons Floor Guard is a heavy duty floor protection sheet and is designed to protect surfaces from moisture, marks and damage.

The closed cell foam backing protects the surface from impact and is fused to a strong poly-fabric blue weave that give the product its hard wearing finish.

Floor Guard Protects:

- Natural Stone; Floor, Wall and Bench-tops
- Tiled areas
- Carpets
- Timber Floors
- Bench Tops
- Protection of Waterproofing membranes
- Plus many other varied applications

Floor Guard Benefits:

- Excellent chemical resistance
- Hard wearing
- Impact resistant
- Water repellent
- Easy to cut and install
- Long lifespan; Will not decay or rot
- Reusable

Floor Guard Seam Tape is the ideal tape for sealing the seams of the Floor Guard underlay.
